October 2026

Alaska Family Council
Family. Faith. Freedom.

Friend of the Ministry…

The first snow has fallen here in Southcentral and as we shift into another winter in the Great Land, I wanted to reach out and update you on how our ministry cup has indeed runneth over.

Because of generous supporters like you and through God's grace, Alaska Family Council continues to press into the intersection of eternal Truth and a shifting, drifting culture in desperate need of a firm foundation that can only be found in the promises of our Creator. As Psalm 103:19 says, "*The Lord has established His throne in heaven, and His Kingdom rules over all.*" During these final days of election season, that is **terra firma** we all need. Let's dive in to some of the work your partnership is allowing us to press in to.

Our Union of Christ Initiative was launched to actively equip pastors across the state to personally endorse conservative candidates. Not only can they legally do this, if they clarify it is an individual endorsement and not from the church, we believe it is one of the best ways to increase church engagement in the voting booth. Pastors from all over the state are joining our Initiative and in doing so, other pastors are finding the courage to do the same. Click HERE to view our Union of Christ site and the pastors who have agreed to step up.

As part of the Initiative, we're also inviting pastors to use our secure, private portal we've created to help them know, very specifically, who hasn't voted in their congregation. Using the publicly available data from the State of Alaska Voter File, pastors can identify members who need encouragement and reminders about how important it for them to elect leaders who will most likely implement policies aligned with what God has said is righteous.

Please pray that our list of pastors continues to grow in these final few days before November 3rd and if you have any suggestions about pastors who might be willing to join…call me directly at 907-317-7268.

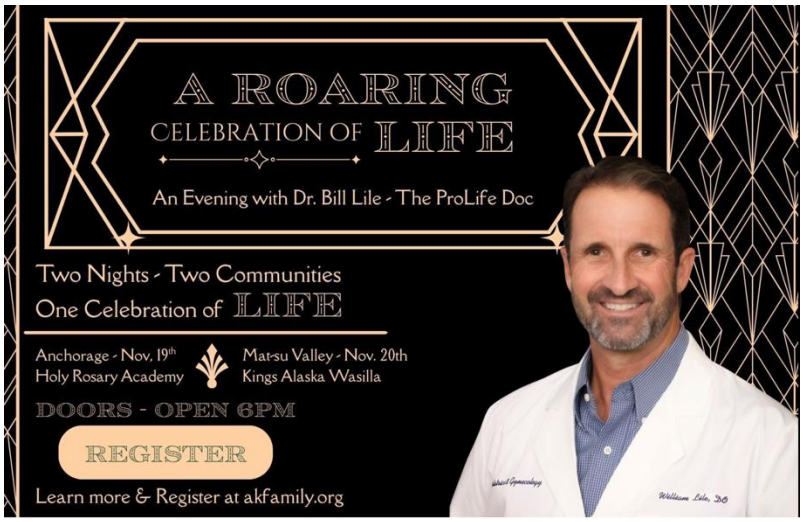
In addition to our Union of Christ Initiative, we're reaching out, as we've done since our founding in 2006, across the state to share our Values Voter Guide at akvoter.com and through churches willing to distribute them to their members.

For 20 years, Alaskans have relied on our Guide as a trusted source for choosing candidates who are aligned with Biblical principles.

Recently, we were approved by the Dunleavy Administration as a Scholarship Granting Organization to partner with Christian schools across the state to receive and distribute funds through President Trump's federal tax credit program that provides, without any strings attached and as no cost to individuals, scholarships to member schools. We are calling it the Alaska Christian Education Network.

ALASKA CHRISTIAN EDUCATION NETWORK
SCHOLARSHIP GRANTING ORGANIZATION

This is truly a transformational moment to advance the Gospel and open up opportunities for families to get their children out of failing public schools indoctrinating students with woke ideologies counter to Truth. To date, Mountain City Christian Academy, Birchwood Christian School and Kenai Classical have signed up as members. We are working hard to get dozens more and ask for your prayers as this unfolds. Stay tuned for updates down the road.



Finally, we are thrilled to be bringing up Dr. Bill Lile, known as the "Pro Life Doc" as our keynote speaker next month. As an OB/GYN physician, Dr. Lile has delivered more than 5,000 babies and is now travelling across the country presenting the Scriptural and scientific case for defending innocent unborn babies. As he notes, "A patient is a person not matter how small."

As this is our Fall fundraiser, our hope is that you will join us as a guest and/or as a sponsor. We would love to break bread with you, enjoy fellowship and great cuisine. Click HERE for more info and please know how important your financial partnership is for continuing our important work.

Please click HERE to prayerfully support our work. You are needed.

Jim Minnery - *President*
